UMCL Financial Update 2016 and 2017

2016 Review

In 2016 our congregation continued to faithfully and generously give their time, talents, and treasure. There are too many wonderful missions and ministries to name. In terms of finances, we received 98% of the money that was committed, with our total contributions from offerings and the Capital Campaign totaling \$1.2 million. We thank you for your faithful and generous giving.

In terms of our budget, as we entered 2016, we were highly optimistic, and made aggressive projections of growth in contributions. However, these projections proved to be overly optimistic and, in spite of significant belt tightening by our ministry areas, we ended the year with a deficit of \$117,000. Because our church is very strong financially with good reserves (similar to a savings account), we were able to absorb this shortfall in 2016.

Our 2017 Challenge

We sense a wonderful spirit of energy and excitement as we enter 2017. We have amazing ministries, a great staff, excellent facilities and a bright future. However, we are once again challenged by our Operating budget. We want to continue to grow our ministries but, at the same time, we don't want to tap into our reserves if at all possible. Currently, our projected contributions to the Operating budget do not cover our projected expenses which would leave us with another significant shortfall if we don't make some adjustments.

Budget Task Force

Given this situation, the Administrative Council at its January meeting commissioned a Budget Task Force to work on this challenge. The Task Force is made of leaders from within the church including Mike Conway, Mike Foley, Kevin Garren, Jayden Montgomery, Dave Natzke, Jill Natzke, Jesse Nixon, Jim Stewart, Candice Tonon, Pastor Jamie and Pastor Steve.

This excellent and dedicated team is carefully and creatively working on the 2017 Budget, considering ways to increase income as well as reduce expenses, in order to have a more closely balanced budget for this year and beyond. The Budget Task Force will present its recommendations and a 2017 Budget proposal to the Administrative Council at its meeting on Saturday, March 4. All are welcome to attend and learn more about our plans.

We ask that you continue to hold the church in your prayers as we move faithfully toward the future. As Mike Foley stated in worship on Sunday, February 6, this financial situation is not a crisis but a bump in the road that we trust God will help us to smooth out. If you have not yet made a financial commitment to the church Operating Budget for 2017, we would love to hear from you. Financial Commitment forms are in the Community Room on the Welcome Table near the office window. We will also be providing some creative giving opportunities in the months ahead that are part of our Budget plan.

Thank you for your faithfulness and commitment to the church as we work together to exhibit sound financial stewardship while supporting our mission to glorify God by lifting up Christ, using our gifts and ministering to all!

Mike Foley, Chairperson of the Administrative Council; David Natzke, Chairperson of the Resource Committee; Kevin Garren, Lay Leader & Financial Secretary; Pastor Jamie Hanna Williams; Pastor Stephen C. Williams

STAFF DIRECTORY

New Director of Children and Family Ministries

The Pastors and Staff Parish Relations Committee are happy to announce that Jaime Zumwalt will be our new Director of Children and Family Ministries. Jaime has a BA in Special Education from Elmhurst College. She resides in Libertyville with her husband, Rob and two children, Sophia and William. She and her family have been involved in our church for the past few years and she is very excited about this opportunity. She is strongly committed to continue to enhance and grow the children and family programs throughout the church. Welcome Jaime!

New Facilities Manager for UMCL

We welcome Charles "Chuck" Peters to our staff as our new Facilities Manager. Ruth Ross has been serving as both our Facilities Manager and our Financial Manager (Business/Operations) over the past twelve years. She expressed interest at the end of 2016 in scaling back and focusing primarily on the financial aspects of her work. The pastors and Staff-Parish Relations Committee, in consultation with Mike Conway of the Trustees, have been able to recruit and hire Chuck Peters to step into the role of Facilities Manager beginning February 1. Chuck is a long-time member of UMCL with excellent skills in organization, building maintenance and repair, management and working with people.

Chuck will be responsible for maintaining the church properties and grounds; supervising all vendors, contractors and custodians; overseeing the heating and cooling of the church; working with volunteers to support building maintenance; overseeing event coordination and set-up; working with the Pastors, Trustees and Finance Manager to report problems, solutions and costs associated with facilities work and providing status updates on pending work.

We are delighted to have Chuck Peters as a new member of our staff. We thank Ruth Ross for her faithful service in the role of Operations Manager and we look forward to her continued service as our Financial Manager.

Ash Wednesday Service

Lent is a season of forty days, not counting Sundays, which begins on Ash Wednesday and ends on the Saturday before Easter. Lent comes from the Anglo-Saxon word lencten, which means "spring." This season is a preparation for celebrating Easter. Historically, Lent began as a period of fasting and preparation for baptism by those who were becoming Christians and later it became a time of self-examination and penance by all Christians.

It is a season when we remember Christ's forty days of fasting and prayer in the wilderness when he faced and overcame the challenges and temptations of the devil. The primary focus is on rededicating ourselves to the Christian life as a preparation for the Easter season to come. It is a time for introspection, for slowing down, for centering in on God.

We invite you to begin the Lenten journey with us at an Ash Wednesday Service of meditation, music and prayer on March 1 at 7:30 pm. This service will provide a quiet and sacred space for you to reflect on your life and listen for the voice of God as you seek to draw closer to God and others.

New Robes

The Choir has a new look. After, as many as 40 years, the Choir's red robes have been replaced with new robes in sapphire blue and white. The robes worn by the Bell Choir also have been replaced. The Choir directors, Jim Grace & Jeff Brown, have robes as well. We hope you are pleased seeing the Choirs in robes that complement the colors of our magnificent new east window.

Thanks to the many families whose contributions to the Church's Memorial Fund made the purchase of our new robes possible.

Endowment Funding

The Endowment Committee is pleased to announce that \$7,938 is available for distribution in 2017. Applications are available in the church office or on our website (www.umcl.org/endowment_fund). Church Committees, individual members or individuals sponsored by a church member can apply for scholarships, enhancements to existing church projects where funding is not included in the church budget, and ministries that fulfill the mission of the church. Application deadline is **March 31, 2017**. Applicants will be invited to a meeting in April to discuss requests and awards will be announced in June.
